The Grange

- This home has it all with its very unique blend of open plan and privacy.
 - It offers four living areas plus outdoor patio with its built in cooking facility. The home theatre has the versatility to become a billiard room, guest room or the parents could come and stay.
 - The kitchen is very stylish with its large island breakfast bar and enormous pantry which can double up as a cellar for your favourite wines. It has direct access to the garage which incorporates a storage and workshop area eliminating the need for a shed.
 - The accommodation includes a master suite to the first floor with an enormous robe/ dressing area and open plan ensuite with twin vanity, spa bath, huge shower and separate toilet.
 - The kids bedrooms are ample in size which they have their own tv/living area.
 - The study on the ground floor could become a home office with direct access to the front entry or could become a formal dining area.
